Summary

Prior to 2007 all operating expenses were paid out of pocket for AlaCop.us operations by Phillip & Karen Calvert. In order to expand operations to assist more law enforcement officers, the decision was made to establish AlaCop, Inc. as a private non-profit corporation under 501c3 of the code of the Internal Revenue Service. The required legal filing fees, expansion of web server service, and the establishment of an office with mail service. Most of the office expenses are still supplied at no charge by Phillip & Karen Calvert. The Board of Directors were established as Phillip, Karen, and Nathan Calvert with all time and services being provided at no cost to AlaCop, Inc. Because of the time required for the establishment of the corporation, the only services provided to law enforcement officers for this year were expanded email, web site, and listserver services provided through AlaCop.us.
