#### Summary:

AlaCop.us and SupportPoliceOfficers.com received great support this year from everyone who sent their support for our operations. We have upgraded the web sites and computer equipment to insure better support for those we serve. We have worked toward better fundraising efforts and had the wonderful opportunity to send equipment and support to Law Enforcement Officers and their families this year. We hope to expand such opportunities as our resources allow. We will continue to build business relationships with companies for financial support and expand our fundraising efforts. The AlaCop, Inc. Board of Directors would like to thank everyone for their continued support and participation in our programs. May 2009 be bigger and better for us all!
