#### Summary:

AlaCop.us and SupportPoliceOfficers.com did not solicit or receive much support this year due to economic hardships for everyone in our nation. For those donations we did receive, we are exceedingly appreciative. We have maintained the web sites and computer equipment to insure continued support for those we serve. Because of our decreased fundraising efforts and donations, we were unable to provide any support directly to law enforcement officers or their families during the year.. We hope to return to seeking out and providing support as we attempt to increase our income through web site changes and expanded fundraising efforts. We will continue to build business relationships with companies for financial support and encourage everyone to support us through our Corporate Sponsorship program. The AlaCop, Inc. Board of Directors would like to thank everyone for their continued support and participation in our programs. 2010 will be bigger and better for us all!
